

Prof. Axel A. Weber

Chairman of the Institute of International Finance (IIF) and
Former Chairman of the UBS Group

“Respected for his knowledge and expertise in economics”

Axel Weber is a prominent figure in the global financial industry, most recently serving as the Chairman of the Board of Directors at UBS Group AG (2012-2022), a leading global financial services company. He is also the Chairman of the Institute of International Finance (IIF), where he helps shape the global financial industry's policies and practices.

TOPICS:

- Global Financial Stability
- Monetary Policy and Central Banking
- Regulatory Reforms in the Financial Sector
- Economic Outlook and Market Trends
- Fiscal Policy after the Financial Crisis
- Leadership and Corporate Governance

LANGUAGES:

He presents in English and German.

IN DETAIL:

Weber serves as the President of the Center for Financial Studies at Goethe University Frankfurt since July 2022 and also serves as Chairman of the Trilateral Commission Europe, promoting dialogue and collaboration among Europe, North America, and Asia. Furthermore, Weber is a member of the Group of Thirty (G30). His strategic vision helped steer UBS through various market challenges and regulatory changes. He was the President of Deutsche Bundesbank from 2004 to 2011. As the head of Germany's central bank, he played a crucial role during the global financial crisis, contributing to policy decisions that had a significant impact on both the German and broader European economies. Additionally, Weber has held international roles including being a member of the Governing Council of the European Central Bank (ECB), a member of the Financial Stability Board (FSB), and Chairman of the Group of Central Bank Governors and Heads of Supervision (GHOS), overseeing the Basel Committee on Banking Supervision.

WHAT HE OFFERS YOU:

Drawing from his tenure at UBS, Weber shares his perspectives on effective leadership and corporate governance. He discusses strategies for steering organizations through periods of change and maintaining ethical standards in business practices.

HOW HE PRESENTS:

Axel Weber delivers insightful, data-driven presentations on critical issues in the financial sector. His ability to communicate complex ideas clearly and engage with his audience makes his sessions valuable for audiences around the world.
