IN DETAIL:

Liz is a renowned leadership expert, recognised globally for her achievements. She's received the prestigious Thinkers50 Leadership Award and consistently ranks among the world's top 50 management thinkers. With a prolific career in research, Liz has made significant contributions to leadership and talent development. Her insights grace the pages of Harvard Business Review, Fortune, and other prominent business journals. She's also a sought-after guest lecturer at Brigham Young University and Stanford University. Prior to her current role, Liz served as an executive at Oracle, where she led Oracle University and global Human Resource Development.

WHAT SHE OFFERS YOU:

In her presentations, Liz provides invaluable guidance to decision-makers across diverse industries, helping them navigate the ever-evolving marketplace successfully. Her talks are a treasure trove of practical insights, emphasising the importance of nurturing curiosity, fostering creativity, and cultivating talent within organisations.

HOW SHE PRESENTS:

In Liz's highly interactive keynotes, audiences will explore how they can fully utilise everyone's intelligence and maximise their impact.
