IN DETAIL:

Magnus is a graduate of Stockholm School of Economics and UCLA School of Film, Television and Theatre and has made a career out of fusing the measurability and tangibility of the business world with the imaginative storytelling of Hollywood. With a background as a management consultant and brand strategist, he founded his company Pattern Recognition in 2005 to help companies make sense (and money) out of the future. He has also built a reputation as one of Europe's most sought after speakers on trends, trendspotting and futurology and in 2009, won the coveted 'Business Speaker of the Year' award in Sweden. In 2008, he created the world's first academically accredited course in Trendspotting and Future Thinking at Stockholm School of Entrepreneurship.

WHAT HE OFFERS YOU:

With a uniquely energetic speaking style, his talks are a multimedia-infused boost of intellectual inspiration about topics ranging from trendspotting and innovation to future-living and the business world of tomorrow. Using measurable macrotrends and applicable consumer insights, Lindkvist paints a picture of tomorrow's world tailor-made to your particular area of expertise or industry.

HOW HE PRESENTS:

Magnus' speeches are a whirlwind of ideas and inspiration that will energise and intellectually refresh listeners using a mix of images, videos, sound and, of course, a world-class delivery of the spoken word.
