IN DETAIL:

Professor Garelli is Professor Emeritus of World Competitiveness at the University of Lausanne and the IMD Business School, where he also founded the World Competitiveness Centre. Beyond academia, he has always maintained close ties with leading global companies. He has held roles such as Chairman of Le Temps, a prominent Swiss newspaper, Chairman of Sandoz Financial and Banking Holding and served on the board of Banque Edouard Constant. Professor Garelli's extensive experience also includes managing the World Economic Forum and Davos Annual Meetings for several years. Additionally, he is a member of The China Enterprise Management Association, The Swiss Academy of Engineering Sciences and the International Olympic Committee commission on sustainability and legacy.

WHAT HE OFFERS YOU:

Stéphane Garelli reads today's global economic picture better than anyone else. He is an exciting speaker who combines content with an entertaining approach to complex issues supported by his trademark graphics. His presentations on competitiveness provoke companies and individuals to think "outside the box" and to confront their strategies with recent market trends and new competitive pressures.

HOW HE PRESENTS:

With meticulous preparation Stéphane's fact filled presentations are rich with detail, acumen and invaluable insights.
