The Noise Next Door's stage presence and spectacular performances add prestige and excitement to any event.

IN DETAIL:

The Noise primarily deal with short-form improv, and it is their impeccable quick wit and razor-sharp gags that ensure they stay unique, as, unlike other improvised troupes, they are able to perform aptly on the stand-up circuit. With absolutely no script, they have an uncanny knack of transforming audience suggestions into fantastically funny scenes and songs in the blink of an eye with a perfect blend of ludicrous characters, witty one-liners, epic stories, and explosive physicality. The company is already proving their worth as headliners, and has also performed alongside comedy giants such as Ed Byrne, Harry Hill and Lucy Porter. Members of the troupe also regularly perform stand-up and have reached the final of the Magners Paramount Comedy On Tap Funniest Student 2008 at The Comedy Store, as well as competing in the Laughing Horse New Act Of The Year. What they offer you Unstoppably funny and uniquely talented, The Noise Next Door are well on their way to becoming comedy's next big thing with their infectious and feel good brand of humour. They leave audiences in awe of their lightning-quick wit and breath-taking comedic talents.
